**Subject:** monitoring well access

*Hi Sarah and Andy,*

*The EPA representatives would like to get monitoring well access to Genuine Parts and Michigan Plaza wells as soon as possible—would you be able to let me know today if you are able to allow access and send the completed access agreement to us? Also, does either site have drums on-site for purge water storage? If possible, EPA would like to put their purge water into your drums. Please let me know if this is possible.*

*Thanks so much,*
